

## **IEEE LATIN AMERICA TRANSACTIONS (Revista IEEE America Latina – Region 9)**

### **Responsibility and Obligation Agreement**

This document is an Responsibility and Obligation Agreement is a legal agreement between you the author submitting paper in IEEE LATIN AMERICA TRANSACTIONS, either as an individual or as an entity, and IEEE LATIN AMERICA TRANSACTIONS. When performing the submission of an paper, or even use the software, the author indicate your acceptance of the

terms of this Responsibility and Obligation Agreement as well as publication of the paper.

If the author does not accept and agree to all or any of the terms of this Responsibility and Obligation Agreement, you should immediately cease all submission procedures, and not realize the paper submission.

These rules may be modified at any time without notice.

### **Information**

The paper that do not comply with the rules and graphical presentation of the IEEE Latin America Transactions, in all its details even be rejected.

Before submitting the paper, it is necessary not only to ensure that the text is appropriate, but also apply the formatting rules required by the IEEE Latin America Transactions. It is noteworthy that we received several papers daily and we reject any that do not comply with the formatting rules required by the magazine.

A scientific paper need to bring innovation, new knowledge and contribution to the international scientific community. Conclusions already accepted by the scientific community does not contribute to the construction of knowledge or to the advancement of science.

This document defines the rules required by the IEEE Latin America Transactions, and guides the authors to apply them in the design and layout of the submitted papers, contributing to dignify and socialize with recognized credibility guarantee the work of the authors and knowledge published by IEEE Latin America Transactions. These rules are strict so that the level of excellence of the IEEE Latin America Transactions is maintained (Impact Factor, ISI, Qualis).

The IEEE Latin America Transactions magazine covers the following areas:

- Energy
- Electronics
- Computer

For questions, contact the Editor's email in Chief - [EiC-R9-LAT@ieee.org](mailto:EiC-R9-LAT@ieee.org).

### **1- Copyright**

The IEEE Latin America Transactions will own the copyright of the submitted works.

By submitting papers to IEEE Latin America Transactions the authors spend their copyright to the IEEE Latin America Transactions, and authorize

the Journal, without charge, to publish these texts in any medium, without limitation as to time, to the territory, or any other way.

The authors maintain property rights that do not correspond with the publication of the work, such as patent rights. In addition, authors can reuse portions of the work in other documents, as well as play it for personal use. The (the) authors (as) did not have permission to publish the contribution in other media, printed or digital.

The author declares that the item is unprecedented, which has not been submitted to other means of publication and the rights have not assigned previously.

1.1- The copyright of the paper should be sent to the IEEE Latin America Transactions ([EiC-R9-LAT@ieee.org](mailto:EiC-R9-LAT@ieee.org)) second model/format shown in annex (File: Copyright\_FormIEEE.pdf) or the link:

<http://www.ewh.ieee.org/reg/9/etrans/eng/submission.htm>

1.2- The authors including figures, tables, or text passages that have already been published must obtain permission from the copyright owner, and include evidence that such permission was granted at the time of submission of the documents. All material received without

such evidence will be considered as the source of their authors, including the text of the paper.

1.3- The IEEE Transactions Latin America and the editor is not responsible if there is any claim.

1.4- The IEEE Latin America Transactions is authorized to adjust the text to your publication formats and modify them to ensure compliance with the standards and rules of the IEEE Latin America Transactions.

1.5- All joint authors should sign, or one of the authors should sign as authorized agent for the others.

## **2- Provisions**

2.1- When an paper or a correction is requested the author by the Editor in Chief, the reply must be faster, a deadline will be given according the publication date, if the changes were not sent within the deadline, the paper it will be rejected.

2.2- The paper must be strictly within the rules required by the IEEE Latin America Transactions in all its details, otherwise the item it will be rejected.

2.3- In order we provide always an even better publication for the authors CV (index/ISI Rouser, impact factor) we kindly ask you to include in the references in your paper - related papers already published in int IEEE LA Transactions - (can be paper from your own or for other authors). In this maner, you can have soon, publication with higher impact factor and Qualis higher than B1.

2.4- Non-acceptance and non-compliance in the paper all items set forth herein in this document, will result in rejection of the paper.

## **3- The submission of a paper implies:**

3.1- The submission was approved by all authors, as well as by the responsible authorities, tacitly or explicitly by the institute where the paper was conducted.

3.2- The paper will be submitted for review in all aspects.

3.3- It is agreed that when the paper is submitted, the author agrees with the final editing process.

3.4- The author(s) authorizing the IEEE Latin America Transactions to publish the paper and make changes according to the format required by the journal.

3.5- If identification is requested with official document with photo of author(s), they should send it scanned promptly.

3.6- The author(s) agrees and accepts all terms and rules set forth herein.

3.7- It is established that it is the responsibility of the authors the correct completion of the registration submission, the information it contains, all content and text of the paper. The registered DATA ARE USED BY THE SYSTEM AUTOMATICALLY WHEN THE PUBLICATION IS GENERATED, and they will be used in the Magazine IEEE Latin America Transactions, in the IEEE Xplore and index DOI and ISI Thompson.

3.8- The contents of the papers are the sole responsibility of the authors. When submitting the paper, the author (s) guarantee (m) that it contains no violation of any copyrights or other rights of third parties.

3.9- After the deadline for corrections both in the article and in the register and after the publication of the article it is not possible to make changes.

3.10- The opinion or suggestion of reviewer transcribed in the IEEE Latin America Transactions after reviewing an paper is the responsibility of the reviewer.

## **4- Rules general for the submission of an paper:**

4.1- The paper should be submitted in Microsoft Windows Word™ System format, strictly following the rules of the IEEE Latin America Transactions contained herein. Otherwise than the paper will be rejected (See section 5- RULES FOR FORMATTING PAPERS and GRAPHICAL PRESENTATION).

4.2- The paper should be complete, high-quality, technical, unpublished, bring innovation and explicit contribution to one of the thematic areas, without being protected, that is, free to edit. Critical parameters include originality, importance, relevance, technical quality, spelling and linguistic clarity.

4.3- The paper should not have been published before (equal or similar), parts of text of other articles already published may not be included, and that is not for consideration for publication in any other periodical or publication vehicle. Otherwise the authors come to the blacklist, meaning the rejection of their names in any submission IEEE Latin America Transactions.

4.4- Only papers will be accepted in Portuguese or Spanish.

4.5- To perform the submission of an paper visit the link: <http://www.ewh.ieee.org/reg/9/etrans/eng>.

4.6- The registration/profile is the responsibility of the author(s).

4.7- In the submission of registration information should be true, then the default for the authors names (no hyphen). The registered DATA ARE USED BY THE SYSTEM AUTOMATICALLY WHEN THE PUBLICATION IS GENERATED, and they will be used in the Magazine IEEE Latin America Transactions, in the IEEE Xplore and index DOI and ISI Thompson, and are the responsibility of the authors.

4.8- In the registration /profile has the data regarding the paper, General Information (title), Author(s) Information (name, organization, country, email), Contact Author, Technical Areas, Content (keywords, abstract), these data should be all filled and the same in the paper as the registration/profile.

4.9- The Abstract and Keywords fields can not contain special characters, because the Unix system does not recognize and poses as an error.

4.10- Select topics of interest in only one of three technical areas; which is closest to the topic of the paper (Electronic, Energy, Computing).

4.11- All fields must be completed, otherwise the paper was rejected.

4.12- By submitting the item, open up it to a protocol. The phases until the publication are (there are no deadlines between the stages of the process):

- a. Revision of paper about compliance with the rules and graphical presentation. If the paper is accepted it goes to the next phases:
- b. Allocation of reviewers.
- c. Analysis and opinion of the reviewers. Reject, modify or accept.
- d. Send the suggestions of the reviewers to the corresponding author.
- e. The author must send the paper modified plus with a page at the end with the answers to the changes suggested to the magazine's website.
- f. Re-evaluation of paper by reviewers, may be the same as item c.

If the paper is accepted it goes to the next phases:

- a. Request to send the paper camera-ready in the Microsoft Word™ Windows System format, via e-mail the Editor in Chief ([EiC-R9-LAT@ieee.org](mailto:EiC-R9-LAT@ieee.org)). If this request is not met the paper will be rejected.
- b. Analysis and editorial decision. Reject, modify or accept. Independent of the reviewer's opinion.

If the paper is accepted it goes to the next phases:

- a. Phase publishing.
- b. Generation for publication.
- c. Publication.

### **The review**

After the paper being reviewed can no longer undergo any change, either in the title, the content or the list of authors. Only content changes will be accepted in the paper that were requested by the reviewer and should be made by RE-UPLOAD at the site of the IEEE Latin America Transactions.

4.13- Since the paper is accepted, this does not mean it will be published, nor create any obligation of the journal IEEE Latin America Transactions regarding the paper. Only after the final review by the Editor in Chief, the paper sent will have its final status, independent opinion of the reviewers. Certificates for authors may be provided only if the paper is published. The paper is considered accepted only if published.

4.14- After submitting or resubmitting the paper, a new page is opened showing information about the submission. IEEE Latin America Transactions does not send a confirmation email. The failure of a submission is usually due to the paper being larger than 3MB.

### **Check the paper status:**

<http://www.revistaieee-la.pea.usp.br/author/status.php?nls=1>

Put the paper ID and Password. (To recover your login or password, click the button “(I forgot it)“).

## **5- RULES FOR FORMATTING PAPERS AND GRAPHICAL PRESENTATION - required and mandatory (see attached model):**

Review all the rules items with your paper.

**The article that does not comply with the rules and graphical presentation of IEEE Latin America Transactions in its minimum details will be rejected.**

5.1- Will only be accepted and forwarded for review papers that fit the rules of this document, they have the correct and complete filling of the register and have been sent by the online submission system. In the registration / profile has the fields for the paper: General Information (paper title), the Authors information (name, organization, country, e-mail), Author Contact, Technical Areas, content (keywords and abstract), which should be all filled and equal to the paper, observing the punctuation indicated in each.

In the submission of registration information should be true, then the default for the authors names (no hyphen). The registered DATA ARE USED BY THE SYSTEM AUTOMATICALLY WHEN THE PUBLICATION IS GENERATED, and they will be used in the Magazine IEEE Latin America Transactions, in the IEEE Xplore and index DOI and ISI Thompson, and are the responsibility of the authors.

5.2- The paper should be submitted in Microsoft Windows Word™ System format, strictly following the rules of the IEEE Latin America Transactions contained herein.

It warns that the use of any external software to Microsoft Word™ Windows system, use specific fonts, use the tool to copy/paste from other documents, can cause errors, as symbols can be exchanged, figures, equations or formulas for the conversion and application of IEEE plugin, which the IEEE Latin America Transactions disclaims any responsibility.

5.3- The paper should have an average of six (6) pages. It should not exceed 3MB in size.

- 5.4- Do not include any type of links and hyperlinks in the text. May cause reference error.
- 5.5- Do not include header, footnote (except footnote to item 5.14), and page numbering.
- 5.6- SIZE PAPER and PAGE: should be Portuguese or Spanish, font Times New Roman, size 10 in black (including emails and links), paper size Letter 8.50 × 11 inches. Page with margins of 1.70 cm on all four sides with single spacing. After the authors name the page with two columns with a width of 8.88 cm with spacing between them of 0.43 cm.
- 5.7- TITLE of THE PAPER: Must be in english, font Times New Roman, size 24, with the first letter of each word capitalized.
- 5.8- 5.10- NAMES of AUTHORS: It should come down from the title with a blank line with size 12 of space between them, in font Times New Roman, size 12, in the format "Exibir nome IEEE" (default name IEEE) found in the register during the paper submission, with first names only with the initial letter punctuated and with space between them, followed by the mother or the father's name (only one), without the use of hyphens. Senior Member IEEE and Member IEEE must be between commas, after the author's name in italics (M. S. M. A. Notare, *Senior Member, IEEE* and I. A. Notare, *Member, IEEE*).
- Example:  
 Name: Itamar Annoni Notare  
 Wrong: Itamar Annoni-Notare  
 Correct: I. A. Notare, *Member, IEEE* or I. Annoni, *Member, IEEE*
- 5.9- TEXT of the PAPER: should be Portuguese or Spanish, font Times New Roman, size 10 in black (including emails and links), paper size Letter 8.50 × 11 inches. Page with margins of 1.70 cm on all four sides with single spacing. After the authors name the page with two columns with a width of 8.88 cm with spacing between them of 0.43 cm.
- 5.10- ABSTRACT: a brief summary of the paper, bold, written in english, font Times New Roman, size 9, in italic only the word Abstract, followed by a dash without space (Abstract—; to insert this character —, press the ALT key, and the numeric keypad keys 0151). It should be in a single paragraph.
- 5.11- KEYWORDS: words identifying the subject of the paper, bold, separated by comma, different from the register, which must be a semicolon, written in english, font Times New Roman, size 9, in italic only the word Keywords, followed by a dash without space (Keywords—; to insert this character —, press the ALT key, and the numeric keypad keys 0151).
- 5.12- SECTION TITLES: in Times New Roman font size 10, in capital letters and numbered with roman numerals (I. INTRODUCTION).
- 5.13- INTRODUCTION: must have the first letter of the first word of the first paragraph capitulate size 2 (two lines), the remaining letters should be capitalized; if this first word is an paper, the following word must also be spelled in uppercase.
- 5.14- FOOTNOTE: Must have a footnote of the first page, containing only the authors names, in the format the example of item 5.8), job affiliation (only the name of the institution), local and email, comma separated, of each author on its own line in Times New Roman font size 8. Must be exactly equal to the registration. Only this footnote is allowed. The last line should contain the name of the corresponding author in italics in the following format: (*Corresponding author: Put the name of the corresponding author*). Use the Word "Insert Footnote" option.
- 5.15- FIGURES: The figures (graphs, photos, diagrams, illustrations, etc.) should be placed after your quote for the first time. Must be of good quality. Without being blurred in whole or in part. Must occupy only one column. Should not be within text boxes. Take care that they do not exceed the limits of the page.
- 5.16- LEGEND of FIGURES: should be written out "Figure 1. Text.", justified to the left in Times New Roman size 8, ending with point. The quote from figures in the text of the paper should be written in short form "Fig. 1". Should not be within text boxes.
- 5.17- TABLES: Title centered, in Times New Roman font size 8, capital letters and numbered with roman numerals (TABLE I) on the first line and the second line the title of the table. There should be a line space between the title and the table. The tables must occupy only one column. Tables or frames will not be accepted inserted as figure. should not be within text boxes. Take care that they do not exceed the limits of the page.
- 5.18- EQUATIONS: should be left justified and numbered with arabic numerals in parentheses right justified. It should not be figure.
- 5.19- APPENDIX: centered title should be like. And each of the appendices justified to the left, labeled Appendix A: Text. Appendix B: Text. The same for Attachments.
- 5.20- ACKNOWLEDGMENTS: this section is not numbered.
- 5.21- REFERENCES: this section is not numbered and should follow exactly the model. Title section in Times New Roman size 10 and text size 8. Numbering with the value 0 for the character (the left margin) and space for the text of 0.5). It is asked kindly to include in the bibliography, where possible, already published in the magazine.
- [1] J. K. Author, "Name of paper," Abbrev. Title of Periodical, vol. x, no. x, pp. xxx-xxx, Abbrev. Month, year.
- 5.22- BIOGRAPHIE: Include a short biography of each author with a photo in the size of 2cm x 1.5cm. It should come shortly after the references, without section title, in Times New Roman font size 8. It should be in a single paragraph for each author.
- 5.23- AMOUNT of AUTHORS: will not be allowed changes (removing, adding and replacing) the authorship of papers after the submission. Change requests by imply rejection of the paper.
- 5.24- Use the advanced option in Word<sup>TM</sup> SHOW LIMITS OF TEXT, to verify that figures, tables and equations do not exceed the limit text.

5.25- Avoid procedures of copying and pasting, especially figures and tables, as this causes many problems when converting to PDF format.

5.26- The paper must be strictly within the rules required by the IEEE Latin America Transactions in all its details, otherwise the item it will be rejected.

**In any contact by email put in the subject ID of paper.**

**Additional rules for special issues** (in addition to the rules described above)

To ensure the quality of the IEEE Latin America Transactions Paper may undergo an external assessment by the reviewers of the Journal. Follow and also observe the same procedures for regular papers edits.

1- It should contain an introduction/editorial of a page. See the attached model (Template-Modelo Editorial).

2 - The IEEE Latin America Transactions accepts the sending of three (3) best conference papers, along with their reviews and any replies of authors to reviewers. The editorial board of the Journal may request extended version of papers to be evaluated. The editorial board of the Journal will decide the acceptance, with no possibility of defense by the authors.

3- The congress organization must inform:

3.1- The total number of papers published.

3.2- The qualification of the technical committee.

3.3- How is decided to accept an paper.

3.4- How many reviewers were allocated for the paper.

3.5- If we analyze an abstract, an extended abstract or final paper.

3.6- How to choose the best papers if people vote in Congress, the reviewers or recommendation specifies a commission for this.

3.7- Ensure that the grammar and spelling of the text is good, in Portuguese or Spanish.

Procedures for sending papers for special issues:

a- The chair of the event should send the list of selected articles together with the authors' e-mails, according to item 2, to Editor in Chief ([EiC-R9-LAT@ieee.org](mailto:EiC-R9-LAT@ieee.org)).

b- Editor in Chief will request that authors submit the paper to IEEE Latin America Transactions.

c- After the paper will be requested for your email along with the copyright. If the authors do not respond to the email, the paper will be rejected.

d- The Editor in Chief will review the paper, and will decide whether to accept or reject.
